

Busy Blooming

My CariSurg Study Plan

Mya Symister

CariSurg Cohort 2026

The Challenge

- ♥ I started off the Week 0 deliverables strong
- ♥ I fell behind on some of my Week 0 challenges
- ♥ I tried late-night sessions after work
- ♥ I was tired, and it didn't stick
- ♥ I needed a more sustainable system

My Time Reset

- ♥ Work: fixed full-time schedule
- ♥ Study goal: 23-26 hours per week (shoot for the Jupiter, land on the moon)
- ♥ Sleep: protected 22:00–06:00
- ♥ Weekends: structured but flexible
- ♥ Focus: balance, not burnout

My Weekly Structure

♥ Weekdays

- Morning: Deep focused study
- Day: Work
- Evening: Light learning + review + rest

♥ Weekend

- Saturday: Deep study + free time
- Sunday: Admin, review, full rest

My Learning Style

♥️ 🌳 Deep Work → hard coding & problem solving

♥️ 🐝 Learning → guided study & practice

♥️ 🍂 Light Work → notes & review

♥️ 💧 Rest → recovery & sleep

Flexibility System

- ♥ Morning study is the priority
- ♥ Evenings can be adjusted if I'm tired
- ♥ Optional tasks can be skipped
- ♥ Commute time is always rest

Why This Works

- ♥ Uses my best energy times
- ♥ Removes daily decision stress
- ♥ Prevents burnout
- ♥ Builds consistent daily progress

Closing

♥ This plan helps me stay:

- Steady
- Focused
- Rested
- Consistent

Small daily growth → long-term success
